AFS Benefit Breakfast Set for March 13

Pancake Breakfast, the annual fund-raising event of the Albany American Field Service, will be held Sunday, March 13, at the Albany High School, Albany, under the direction of Mrs. Richard J. Hansen, finance chairman. From 8 a.m. to 12 noon, a typical American breakfast of orange juice, pancakes, ham and coffee, served by Sid's Stores, will be available. The Albany AFS Club, with Carol Gordon as president, in charge.

Proceeds from the affair will be used to pay for Albany's 1960 to 1961 exchange students. The exchange program is a program of understanding and goodwill, the foreign exchange students who come here, the American students who go abroad. This year, the Albany AFS Club sponsored three students: Birger Hansen from Denmark, who lives with the E. J. Hansen family, 1222 Marin Avenue; and two Albany High seniors, Renee DeYoe, who went to Germany last summer; and Ron Kleinhammer, who is presently attending school in Brussels, Belgium.

In addition to its fund-raising efforts, the Albany AFS has been a recipient of contributions from several community organizations interested in the project: Lions Club, Young Ladies Institute, All Arts Club, Albany B.P.W., American Legion Auxiliary Unit 292, Albany Ex-Cellentes, and Albany V.F.W. Auxiliary Post 2658.

Tickets for the breakfast may be purchased at the door March 13, or in advance from Mrs. Hansen, 822 Washington Avenue; William Woolworth, 904 East Avenue; or from Carol Gordon or Miss Margaret Gilchrist at Albany High, 603 Key Boulevard.

Club Formed for Model Railroading

Persons interested in model railroading will soon have the opportunity to join forces with other local railroaders in a Club sponsored by the Albany Recreation Department. Plans are being discussed to make the Bay Cities Model Railroad Society a unique club for this area, due to the membership qualifications proposed for those joining the group. Membership will be open to teenagers as well as adults developing this hobby.

For those who are interested, meetings are being held each Friday evening in the Albany Community Recreation Center. Persons interested are welcome to attend these meetings.

ALAMEDA COUNTY SUPERVISOR Kent D. Pursel gave an excellent picture of the problems faced by the County Welfare Commission to the members and guests of the Albany Rotary Club at its luncheon yesterday noon at Spenger's. Some of the figures on costs of the program were startling. Bernie Mander, of Sam's Prescription Pharmacy, was chairman of the day.

The Rev. James Comfort Smith, Pastor of St. John's Presbyterian Church and a member of the Berkeley Rotary Club, will address the Albany club luncheon next Tuesday, March 9, on the subject of Rotary's "Four Way Test." Member Ray Warne will be chairman of the day.

ALBANY CHAPTER, EASTERN STAR will meet Friday, March 4, in the Albany Masonic Temple, at 8 p.m., with Worthy Matron Helen Brickey and Worthy Patron Elwood Wallace presiding in the east.

Job's Daughters, Bethel No. 265 of Albany will exemplify the majority degree. Olive Zamoroni, Job's District Deputy, will also be the Chapter's Hostess for the evening.

MRS. FRANCES J. ROY and her daughter, Mrs. Charlotte Ann Tupitza, have just returned after a delightful trip to Honolulu. They were among the 89 passengers on a special chartered plane with the Supreme Worthy High Priestess, Rouss M. Thomas, of the White Shrine of Jerusalem. The new shrine there, Ellen, had their first official inspection of the "Supreme", and 136 from various parts of the United States and Canada accompanied her. Also, from Albany were Henrietta Herwig, Betty Teasdale and Thelma Moss.

HOP AND GLIDE DANCE will be Friday, March 4, at 8 p.m., Cornell School auditorium. Folk dancing with ballroom during intermission for adults.

International Night at Cornell School, March 3

The Cornell PTA meeting is March 3, at 7:30 p.m. in the Cornell School Auditorium, 919 Cornell, Albany. "International Night" has all the earmarks of being a most enjoyable evening. Mrs. Mary Beckhusen, program chairman, has gone all out to bring to us a touch of other countries through colorful costumed dancers and brief summaries of life in Germany and Denmark.

Leave your children in child care, Room 5, while you enjoy the program and refreshments that will be served in the Cornell Cafeteria afterward.

Hospital Branches Plan Exhibition

Since the advent of jet travel we've become used to hearing about breakfast in Ireland and dinner in Hong Kong.

Now the branches of Children's Hospital of the East Bay are bringing to would-be and erstwhile travelers table settings and collections from "Around the World" during Easter Fair, March 3 through March 6, at the Hotel Claremont.

To take this wonderful "trip" around the world will take the average viewer only about an hour via the magic carpet on the mezzanine floor of the hotel where some 57 table settings and ten collections will be on exhibition from 10 a.m. to 10 p.m. daily during Easter Fair. In collections are an added feature this year.

Even a person actually going to India wouldn't be able to see the wonderful collection of miniature paintings which will be among the collections at Easter Fair. For this collection, owned by Mrs. John A. Dreyer of Hayward, a member of Tamarack, is truly a museum collection, dating back to 1520 A.D. Eight different paintings in Rajput and Maghal styles, about 7 by 10 inches in size, and mounted on silk mats with gold frames, will be on display. Most of these are from 200 to 400 years old.

One of the most interesting collections at the Easter Fair will be that of Mrs. Joseph E. Brooks of Richmond, who is making her entry through Elm Branch. She has a collection of spoons made from American and foreign silver which includes such oddities as Apostle spoons, double folding spoons, Alaskan Totem handled spoons, tea caddy spoons, salt spoons, mate spoons, figurine handled spoons, money spoons, enamel spoons and ad infinitum.

E. PARKER SMITH, lieutenant governor of Kiwanis Division 26, was a recent visitor to the Albany-North Berkeley Club. He is shown, second from the left, wearing the headdress of an Indian Chief, given him by Marvin Wells, second from the right, as being symbolic of his leadership over the clubs in this area. At left is Frank Warner, vice-president of the club; while at the right is Ernest Koutz, the club's secretary. — Gazette photo.

The Amari Club of Berkeley High, Mrs. Grant Gustafson, advisor, is coordinating the dance after plans formulated by the Horizon Club Cabinet, a group composed of representatives from each of the individual clubs. Invitations are being made by the O-Da-Ko group at Portola, and the Zuneup Club of Albany High is in charge of refreshments, consisting of sandwiches and cookies, furnished by all participating clubs. In addition to the groups named above, the Wa-Kah-Ya Club at Willard, the O-Ne-Ca's at Garfield, and the O-Ki-Da Club at Albany High are taking part in this event.

Chamber Chatter

By IRENE GROVE

The calendar page turns to March, and "Spring" is just around the corner. Albany homeowners are busily making the city's residential area even more attractive for the season. We, in Albany are proud of our homes, with their well-kept exteriors, green lawns, and bright flowers. But let's make an attractive business city as well... means more business, too.

We know progressive Albany businesses want to get into the act of improvement and city rejuvenation. The Gaeta and Brophy law office at 928 San Pablo is undergoing a real face lifting; we can hardly wait to see the results, looks wonderful so far. Frank Cortese is still working to improve the unique and attractive marquee at Cortese Drug, 862 San Pablo. Let's hear from the rest of you; your plans for remodeling or repainting, so that we can give you the recognition that you deserve.

Congratulations to the Robert King Realty on their new office location at 1102 Solano Avenue.

March 6-12 is "Plant A Tree" Week. Some special activities are planned to commemorate the occasion in Albany. We will give you the details next week but there will be a special tree planting in the new picnic grounds at the Community Center and others. Nothing adds more to the beauty of a city than its trees. Recognition should be given the Solano Avenue merchants for not waiting for a special week to beautify that avenue with trees. Publicity of Albany's activities, as well as other communities' will be given by Radio Station KCBS, San Francisco.

You will soon be meeting "Jennie." Jennie is the little burrito with personality that Bennie from Casa Del Rancho, 917 San Pablo, has brought to Albany to help to advertise his special merchants' luncheon and delicious Spanish food.

Jennie will also be involved in a very special spring sales promotion, now being planned by Albany Chamber of Commerce and Albany retail merchants. It will be "The Spring Fiesta of Values," March 16 to 19 and will mean real sales values for you and a lot of fun with "lucky balloons" ... more about it next week.

"Thank you's" go to progressive Albany businesses, making their 1960 investment in your Chamber of Commerce: CUROCO at 536 Eastshore Highway and Safeway Stores, 1451 Solano Avenue. A very special welcome goes to new member, Richard Hoyt of Hoyt's, Albany's newest restaurant, 1113 Solano Avenue. We'll have some real items of news for you next week ... so look for the "scoop" then.

To Sponsor Whist

The Catholic Ladies Aid Society will sponsor a whist party at the St. Ambrose Church hall on Tuesday afternoon, March 8. Mrs. Edward Perse, Mrs. Joseph Perani and Mrs. Dan Magaan will act as hostesses. The public is invited.

Albany High Will Present Melodrama

On Friday, March 4, "Thalians", the drama club of Albany High School is presenting a colorful melodrama under the direction of Freeman Sargent. Back in the early Nineteen Hundreds, George M. Cohan wrote "The Tavern". This is a serio-comic play which brings together a conglomeration of people from many walks of life.

Dave Hathaway plays the part of the tavern keeper's son and Robert Wright plays the father. Carol S. Caparo is the hired girl and the part of William, the hired man, is played by Steve Golden.

The governor, his wife, and daughter are played respectively by Bill Rojas, Janet Beals and Diane Best. Tom Allen is the governor's aide, and Frank Martins plays this part. Ron Simmons doubles in brass as Joshua the cop and an asylum attendant. Harry Attfield and Dave Gaunt play the other officers in the show. Conrad Gaunt as the vagabond and Sylvia Wright as the woman, are the two major characters about whom the play revolves.

It would seem that there are two escaped mental inmates of a local institution who raise considerable fuss and fuming. A robbery of the governor's party adds to the confusion. The production will be followed by a short olio in the spirit of the times. Members of the cast disport themselves in various specialties of song and nonsense. Tickets will be one sale at the box office at the Albany High gym, Friday evening, March 4.

Sports Car Races Mar. 5-6 at Vaca

John D. Duncan of Albany will be working with SCCA as President of United States Auto Racing Marshals Club which will supply course personnel at Vaca Valley Races, Vacaville, March 5 and 6. A record number of drivers are expected to compete in 17 races over the spectacular Vaca Valley road course, since this is the first opportunity to race this year.

MAPS FOR NEW ZONE ORDINANCE ORDERED

After some discussion the City Council Monday night approved a motion to have the city engineer draw up a complete set of maps covering the various zones into which the city will be divided under the new zoning ordinance, which had been approved with minor changes last week.

The motion was made by Councilman Lewis M. Howell and seconded by Councilman Leonard L. Keck. The vote in favor was 4 to 1, Mrs. Zahn, dissenting.

According to an opinion by City Attorney Robert J. Foley it will be necessary for the council to pass an emergency interim zoning ordinance to take effect immediately, which will be followed by an identical ordinance which will go through the usual formal readings and publications and will replace the emergency ordinance within 30 days after publication unless it should be held up by a referendum within that period.

An appeal from an adverse decision by the Planning and Zoning Commission by Laura S. Wofford, who was denied a waiver of sideyard requirements at 730 Cornell Avenue, by the commission, was denied by the council on advice of the city attorney, who stated that both city ordinance and state law would not permit such a waiver. The vote to deny carried 5 to 0.

Resolution No. 60-26, supporting the retention of the Veterans Administration Hospital in the Metropolitan Oakland area of Alameda County, was passed unanimously.

The matter of the University of California building some 150 additional housing units for students at Codornices Village was discussed, and a resolution adopted seeking help from the Governor in obtaining State aid for the City in its school, fire, police and other services, was also adopted unanimously and a copy ordered sent to the Governor. It was pointed out that the property is tax free, as the property of the University and yet it is now costing the city approximately \$21,000 a year for school facilities, and approximately \$20,000 a year for city services, with no remuneration.

Resolution No. 60-27, providing for payment of two weeks earned vacation to retiring City Engineer John D. Dayton, was passed unanimously.

Date of a proposed public hearing on the Transit District plans as they would effect Albany, was left somewhat "up in the air" when letters were read by Mayor Jerome Blank and Councilwoman Zahn to the effect that the Transit District engineers were engaged in a re-survey and consideration of alternate routes throughout the East Bay, in light of the Albany problem, and that it would require some weeks to complete their work. The re-survey is estimated to cost approximately \$330,000. Originally a hearing date in Albany was set for Wednesday evening, April 20, but the date may have to be again reset.

A letter was read from Supervisor Kent D. Pursel in which he outlined some changes which he believed the Board of Supervisors would approve, and which had been requested by Albany, in renewal of the lease on the Albany Memorial Building. Included in this is a proviso which would permit the Albany Director of Parks and Recreation to sit in on the meetings of the building directors as a liaison representative, with a view to coordinating use of the building between the Veterans, who would have priority, and city groups.

JOHN A. ZORO, PRESIDENT of the Albany Democratic Club, has announced that the club will meet Tuesday, March 8, at Cornell School, at 8 p.m. Following the agenda, the club will hold "Candidates Nite". All the candidates for the City Council have been asked to attend and present themselves. The public is invited.

'Plant A Tree' Is Slogan For Arbor Day, Mar. 7

If you need an excuse to plant a tree, you'll never find a better one than March 7. For this is not only Arbor Day, it is also Luther Burbank's birthday.

The first Arbor Day was celebrated in Nebraska on April 10, 1872. By that time settlers had chopped down most of the trees in that state either for building their homes or for firewood. Still other trees had been destroyed to clear the land for farming. You could wander for miles over the western plains with nary a tree in sight. A Nebraska newspaper man by the name of J. Sterling Morton came up with the idea of Arbor Day as a method of correcting this sorry situation. The suggestion rapidly gained favor in other parts of the country.

The California Association of Nurserymen hints that this Arbor Day would be a mighty good time for YOU to plant a tree. Why not make it a family undertaking and plant the very tree you have been wanting for shade or fruit or beauty right on your own property? Or help to organize a tree planting activity to landscape a new school. Or a boy or girl scout program to landscape a bare spot in your community. It could be the Sunday School class or your civic group or the garden club — the spirit is there and the results will reward you personally and others long after you.

If you need to convince yourself about trees, just remember that they add untold value to your property and can even affect the temperatures around your home. New subdivisions are immediately more inviting to prospective buyers when shade or flowering trees line the streets and enhance the garden.

Consult your local California Association of Nurseryman member about what type of tree to plant, not only for your particular area but for the specific need you have in mind. Remember the tree you plant this Arbor Day will be a joy to you in the years to come.

Olsons Return From Atlanta Conference

According to an announcement just received from Atlanta, Ga., Harold W. and May Ellis Olson and Yvonne A. Walkup of the Ellis-Olson Mortuary, have just returned to Albany after attending a two-day Workshop Conference conducted by the Order of the Golden Rule, an international affiliation of dependable funeral directors.

Well over two hundred members and guests, including funeral directors from Canada and most of the 50 states, registered for the conference, which began February 18, at the Dinkler Plaza Hotel. A panel of distinguished and nationally known experts in the funeral industry addressed the gathering on a variety of subjects, each calculated to increase the ethical and business stature of members of the order by setting up better methods of serving, to improve the funeral director's understanding of the emotional problems of those being served, and to increase the business efficiency of each member, since efficiency results in greater economy.

In addition to the various addresses made, a series of three breakfast conferences and a series of six luncheon conferences were held, in the course of which members present had an opportunity to discuss their specific problems with a panel of experts in various fields.

New officers of the order were installed, and appropriate plaques were presented to David J. Perrott, Newburgh, New York, and J. A. Shaidnagle of Massillon, Ohio, for their devoted service during their tenure as presidents of the order.

High School Senior Honored A.F.S. Student For Longest Term

Kleinhammer, 17, Albany High School Senior, has been honored by being selected as the first American student to stay for the full year in a foreign country under the terms of the American Field Service, according to Mrs. Leslie Kleinhammer, who is president of the Albany A.F.S. Chapter.

Ronnie, who is attending the Lycee Dachs (a secondary school), in Belgium, was originally scheduled to return home by the end of January with the other students of the program. Under the new plan, however, she is one of approximately 149 American students who will remain in Belgium for the full year.

After three years of exchanging, we believe that American high school boys can successfully fulfill the requirements of high schools in Belgium. We are delighted that she will be able to stay as long as she wishes.

As a participant in this "pilot" project, Ronnie will continue her studies in the Latin-Science division of the Lycee, where her program includes: chemistry, physics, biology, history, math, French, English, history of art and geography — all in French. According to the reports sent to Albany High by her Belgian teachers at the end of the first semester, she has been very successful in her school work, even to the extent of placing second in the math class.

Belgian school customs are different from American ones, Ronnie notes: "Here we must stand when the teachers enter or leave the classroom, carry their briefcases, and bow our heads when we pass the principal. Also, the girls dress more fashionably, wearing high heels, knee-length skirts, long stockings of all colors including plaid, Bardot hairstyles, and heavy eye make-up, but then all of this is covered by the blue smock which is the school uniform."

Social life for teenagers is also very different according to Ronnie. "Belgian young girls don't date — it's not considered nice. Occasionally there is a school tea dance, very formal, and although the style of dancing is similar to ours, we dance a metre apart. My arms aren't long enough. Sometimes I miss the informality and fun of our student body dances at Albany."

Two hearts in the center of a cake told the guests at the Reginald Gray home in Albany that their daughter Jean, is engaged to Air Force Second Lieutenant James Youngson Jr.

Jean also told her Phi Mu Sorority sisters at the University of California the news, by the traditional Monday night candy passing at the house.

Jean prepped at Albany High School where she was the C.S.F. President and President of Girls Honorary, and continued her education at the University of California, as did her fiancé. She is Panhellenic Association Secretary-Treasurer and a member of the Home Economics Club, and College Women's Club Jrs.

The young officer, son of the James Youngsons of Murphys, Calaveras County, prepped at Calaveras High School where he was Senior Class President, and President of C.S.F. At 'Cal' he was secretary of Men's Residence Association and a member of the Californians and Arnold Air Society. He graduated from Cal in June 1959 and is now stationed at San Antonio, Texas.

Jean's brother, William, is a Senior at Albany High School, and she is the granddaughter of Mrs. William G. Davies and the late Mr. Davies of Berkeley, and Mrs. George Gray and the late Mr. Gray of Albany.

The couple are planning to marry after Jean's graduation.

Senior Citizen Activities, 850 Masonic
On Tuesday evening, February 23, a large group of Senior Citizens from the Albany Masonic Avenue group enjoyed a wonderful picnic and party at the spacious quarters of the Standard Oil Rod and Gun Club. This was made possible through the courtesy of Mr. and Mrs. Jerry Thauherger who are members of the club.
The Seniors left at 7 p.m. by chartered bus. The evening was perfect and the moonlight and brilliant lighting along the way intensified the beauty of the place. The torches were likened by some to the Olympic Torch.
The lunch was wonderful, as everyone brought what he or she was supposed to bring and added a little more for good measure and as a result, the tables were groaning with the weight of good food. After everyone had eaten his fill, willing hands got on the clean up detail and soon the kitchen was restored to its spic and span condition.
Dancing, cards and other games were indulged in after lunch with each member picking the game he preferred.
The bus was on hand promptly at 11 o'clock to bring the tired but happy revelers back to Albany. Community singing was enjoyed by the group on the way

Snow-Gauger Bob Anderson checks the High Sierra snow "crop" to see how much water will be available to turn our electric generators. This used to take weeks of snowshoeing through rugged country. Now, by helicopter, our snow gaugers do the job in hours—saving time, money. Efficiencies like this help PG&E hold down the price of service to you. (Our customers pay \$1 for the same gas and electricity that costs \$1.28 elsewhere.) That's important because you're using more and more every year to live better!
